

**WATER BOTTLE
CARRIER TEMPLATE**

To make your water bottle carrier you will need:

1 x **OUTER** fabric cut on fold using template

1 x **LINING** fabric cut on fold using template. **PLEASE NOTE** the lining fabric needs to be an all-over print **NOT** a one-way design.

130cms of cord for the shoulder strap. (You could make a fabric strap if you prefer or use tape.

Drawstring options: *for all options you will need a safety pin to thread your drawstring through the casing.*

Option 1: Drawstring with toggle closure: 50cms of cord, tape or ribbon

PLUS 1 x toggle

Option 2: Drawstring with tie closure: 80cms of cord, tape or ribbon

Option 3: 30cms of elastic preferably no more than 1cm wide

**WATER BOTTLE
CARRIER TEMPLATE**
