

Templates for Coaster

TO MAKE A COASTER YOU WILL NEED:

4 or 5 different strips of co-ordinating fabrics for your patchwork (approx 13cms x 3cms)

A piece of fusible interfacing 12 x 12cms

TWO pieces of felt 14cms x 14cms (If you have some Bonaweb you have bond the two layers of felt together to form one thicker piece of felt)

Patchwork template –
we will use this AFTER
your patchwork strips
are joined together

Cut this template from something
see-through like grease proof paper.
Tissue paper or clear plastic
